A679 Accrington Road Hapton
Bus Stop Clearway

The purpose of this proposal is to upgrade the existing bus stops on the A670 Accrington Road at Hapton, with enforceable clearway markings and signs allowing buses to pull in safely and efficiently at the stop.

The proposal intends to promote sustainable transport for all users by including the construction of a raised platform, allowing safe boarding and alighting of passengers.

This proposal is in conjunction with a proposed red route clearway on the A679 Accrington Road Hapton in the vicinity of the new industrial estate.

The proposals are being pursued as part of a s278 Agreement under the Highways Act 1980 as part of a new housing development.
